4. Maps – we are going to review our business members and have maps reprinted with new & active business members. Graham has a zip drive with these members and their business cards that he will give to Greg and Christina. Christina is going to contact Minute Man Press (Cardinal Printing) for details of what is needed to print new maps.
5. Alan talked to his friend who does website hosting, he said that he can do it for approx \$250. Currently we had a website for muddyriversnoseekers.net that would get redirected to muddyriversnowseekers.org. We cancelled that service and are now only paying for the .org address that cost is \$228 a year.
6. Greg picked up parts for the tucker, there is still more needed to get the tucker up and running 100%. That is going to cost the club about \$3000 more. Volunteers are needed to help replace parts. There is a big need to welders and people who can turn wrenches. Names mentioned who could possibly help are Jim Richardson and Jeff Mondville. Greg is generously letting us borrow his garage and tools to help fix.
